

The Leader Community Initiatives, Nyborg, Denmark

This association is part of the EU policy on Rural Development.

Its aim is to improve life in the countryside and encourage settlement in the rural area.

These goals involve a close cooperation and dialogue with the population in the districts.

Membership in the association is open to people who wants to participate in furthering economic growth in the countryside, creating new jobs and good living conditions.

The Ministry of Food, Agriculture and Fisheries, The EU and the town of Nyborg supports The Leader Community Initiatives, Nyborg and in 2010 they have given 2 million Danish kroner to projects that aim to create development in the rural area. The board of the Leader Community Initiatives, Nyborg recommends projects to The Ministry of Food, Agriculture and Fisheries, who administers the Rural Development Policy Programme in Denmark.

The Nyborg Association has supported many different types of projects:

- Community halls,
- Parks
- Meeting facilities
- Internet shops
- Playgrounds
- Tourist facilities
